ProPak Vietnam 2021 Rescheduled

Dear Participants,

After careful deliberation on program timings with key industry members and partners, Informa Markets Vietnam has further rescheduled the upcoming **ProPak Vietnam 2021** and its co-located events: Printech Vietnam, taking place on 10-12 November 2021 to **28 - 30 July 2021** at **Saigon Exhibition and Conference Center (SECC)**.

We believe the revised new dates in July will allow the event to return to its original early year annual cycle by 2022 to provide the best conditions for exhibitors and visitors to engage. Please accept our apologies for any inconvenience caused. We will also be launching additional communications and digital opportunities to engage Vietnam's packaging and processing industry, and to keep you and the industry up-to-date leading up our 2021 event date.

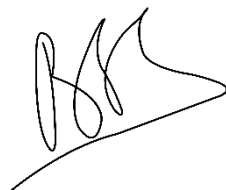

We wish to thank those who participate and support ProPak Vietnam 2021 and we greatly appreciate your support. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.
